Issue No.2

The Dream Team Newsletter

July 2019

Darwin is the NT's tropical capital city. Perched on a stunning harbour peninsula with ocean on three sides, it is framed by palm trees, blazing sunsets, a relaxed outdoor lifestyle and warm weather all year round. Temperatures in June, during our Convention, will range from a pleasant 27°C – 32°C. Lower humidity levels at this time of the year, make perfect conditions for exploring the many attractions that Darwin and its surrounds have to offer. There is much to see and do in Darwin including this month's featured attraction.

Darwin Waterfront Precinct

The Darwin Waterfront is one of the best rated visitor experiences located a few minutes' walk from the city Centre. With a man-made lagoon, a popular wave pool and a saltwater beach, there is something for everyone. If you are seeking peace and quiet, find a spot on the shady lawn or wander the pretty parklands. If you'd prefer to step up the action, try flyboarding, or scale one of the floating jumping castles. The Waterfront Precinct also has a great range of [restaurants and cafes](#), to satisfy any connoisseur. Come night-time, treat yourself to an alfresco movie at [Deckchair Cinema](#). It screens films seven nights a week during the dry season and is right on the water. With a free 12-seater shuttle bus operating daily, the Darwin Waterfront precinct should be a must for all visitors.

DREAM VENUE - MARRARA STADIUM

Our 62nd Australian National Square Dance Convention will be held in the indoor basketball stadium of the Marrara Stadium Complex. The Complex is part of the premier outdoor stadium in the Northern Territory and features several smaller stadiums including a hockey stadium, athletics stadium, indoor basketball stadium, and several outdoor sports grounds. Our Convention will be held in the airconditioned indoor basketball stadium. The venue has parking for 650 vehicles. More details about the Stadium are available by [clicking here](#).
