## I CAN HEAR MUSIC – KDM 166

### OPENER

**Circle left**

This is the way... I always dreamed it would be

**Walk around your corner, see saw partner**

**Men Star Right** I can hear music

**Allemande left and promenade**

Whenever you touch me baby, whenever you're near

### FIGURE

**Head ladies chain, promenade halfway**

**Heads lead right, veer left, bend the line**

**Reverse Flutter wheel, square thru three**

**Swing the corner promenade**

I can hear music... I can hear music

### MIDDLE BREAK

**Sides face, grand square**

I hear music all the time, yeah, I hear the music hold me tight, baby

I hear music all the time, I hear the music.

**Allemande and weave the ring**

I can hear music, **swing the girl, promenade**

The sounds of the city, baby, they seem to disappear

### CLOSER

**Circle left**

Loving you... it keeps me satisfied

**Walk around your corner, see saw partner**

**Men Star Right** I can hear music

**Allemande left and promenade**

Whenever you touch me baby, whenever you're near

### TAG

**Swing**

Whenever you touch me baby, whenever you're near
